

# BlueVQL-SmartTalk3™

## Voice-Insight's Hardware Solutions

**Voice-Insight** has developed a unique portfolio of hardware devices and accessories for use in mobile field applications such as Logistics and Inspections, but not limited to them. All these applications, as a result, benefit from this "hands and eyes free" performance.

The **BlueVQL-SmartTalk 3** is a shockproof, waterproof, wearable PC accompanied by a complete set of accessories (belts, clips, mounts, charging bays, etc.).

Its variable CPU clock frequency and hot-swappable Li-Ion battery concept addresses long shifts and bridges multiple shifts.

Wired headsets can be plugged in via robust, USB compatible, ODU connectors. Standard Bluetooth devices can easily be configured (scanners...).

The **BlueVQL-SmartTalk 3** is the ideal companion for mobile professionals and can be used in industrial environments.

## BlueVQL-SmartTalk3™ Specifications

**Processor:** Geode 500 MHz

**Main Memory:** DRAM 512MB / 1GB

**Operating System:** Windows® XP Embedded

**Main Storage:** Flash disk 2GB / 4GB

**Audio connectivity:** Chipset Bluetooth BlueVQL™ 10m range or ODU/USB connector for wired headset

**Monitor Interface:** VGA output

**Connectivity:**

- Network adapter IEEE 802.11 b/g WiFi
- Bluetooth v1.2 module Class 2 chipset
- Standard Bluetooth chip (Barcode reader, RFID, Printer)

**Battery:**

- Standard: Li-Ion, hot swappable battery
- Optional: Secondary battery for uninterrupted function

**Dimensions:** 160mm x 130mm x 25mm (6.3 x 5.1 x 1.0 in)

**Weight:** 610 gr. (21.6 oz) including battery

**Operating temperature:** - 30° C to 60° C (-22° F to 140° F)

**Certifications:**

- Drop test: 10 falls from 1,5m
- Waterproof: against water projections and dust (IP64)
- Certification: All components are EC, FCC, IP64, RoHS, EMC and LVD certified

## Accessories of the BlueVQL-SmartTalk3™

**AC Power Adapter**

To load the SmartTalk individually.

**Belt Clip**

To fasten the SmartTalk on your belt.

**SmartTalk Docking Charger**

The SmartTalk Docking Charger can load up to 6 Smart-Talks.

**Battery Docking Charger**

This Docking Charger can load up to 10 batteries.

**All BlueVQL components are CE and FCC compliant as well as IP 64, RoHS, EMC and LVD certified**
